

Collector & Antique Vehicle Insurance Program

Qualifying Guidelines:

What Qualifies? Hagerty provides full insurance coverage for a variety of vehicles at least 15 yrs old, including antiques, classics, muscle cars, street rods and customs, sports cars, high quality replicas and exotic and special interest vehicles.

Vehicles under restoration:

The process of restoring a collector vehicle is in some ways more a part of the hobby than it is to drive them. Collector car owners will spend hundreds of hours researching, locating parts, buying and working on their cars. Every collector car has been or probably will be restored to some degree. Our primary concern is restorations that never get completed or for that matter, never get started. On-going, rolling restorations during which the vehicle may be driven in a "primer stage" for an extended period of time are not eligible.

Storage- Locked garage recommended

Driver Eligibility- Must have good driving record

Minimum Value \$3000 (requirements vary based on vehicle type).
