

Travel insurance for every type of traveller

Planning your next adventure? Whether you're embarking on a one-time getaway, jet-setting on multiple trips, or travelling frequently throughout the year, we have a travel insurance solution to suit your needs. Discover the benefits of three types of emergency medical plans, and choose the one that best fits your travel style.

	Single-Trip Emergency Medical Plan	Annual Medical Flex Plan	Multi-Trip Plan - Medical
How it works	Coverage for one single trip.	Coverage for a set number of "travel days" that can be used across multiple trips throughout the year. It's like a flexible "bank" of coverage days that can be used for any trips within a one year period.	Coverage for unlimited trips within a year, with a limit on the number of days covered per trip.
Ideal for	Travellers who are only travelling once in the next year.	Travellers taking two or more trips of different lengths in a year who want truly flexible coverage.	Frequent travellers taking multiple trips per year, when the majority of trips are expected to be similar in length.
